

SOUTH ISLAND LEISURE MARCHING GORE 2018

MLT EVENTS CENTRE
27 October 2018

September 2018

FINAL NEWSLETTER NO 3

With just over a month to go our event is getting nearer. Thank you to the other 33 teams who are showing their support by joining with us for the 25th South Island Leisure Marching Event.

Attached is a list of the draw for the day including the programme.

The complete programme for the day will be in the team packs for collection upon arrival at the Events Centre.

The Delegates meeting (2 per team) will be held at 11.15am. If you haven't already, please hand your CD in, named with your number in draw clearly visible, at this time.

NOTES:

March Past - The March Past will be taken by the Gore District Council Mayor Tracy Hicks along with Mayoress Robyn Hicks and Lorraine Simpson a Life Member of Marching Southland and a founding member of Gore Golden Cavaliers.

Teams please assemble at the rear of the laid out field where the Marshalls will assist you getting into your team draw.

Photos- Photos will be taken after teams have marched. Area will be advised at delegates meeting. Photographer Dawn also will be at the night function taking photos which will be put up on her web site for anyone to purchase from her.

Food - Limited food available from Events Centre Reception area. Coffee Cart outside.

Raffles - Raffles will be available to purchase @ \$5 for six tickets.

Evening Function - In the Town & Country Club Stadium Bury Street (opposite the showgrounds) – entrance through the main door and taking your first left into the stadium. If you are early to the stadium you are most welcome to take advantage of the club lounge facilities.

25 Year Recognition – Just to clarify that the marcher must have marched at the 1st South Island Day in Oamaru in 1993 and have marched at every South Island event since then, which includes this the 25th South Island Leisure Marching Day. Please contact me with names of persons eligible before the end of the month.

Just to let you know that on the Sunday Gore is hosting its annual Rhododendron Day in the Gore Gardens if anyone would like to stop on the way home to see what it's all about. Usually plenty of stalls selling not only shrubs and plants but many crafts as well.

We look forward to seeing you all on the 27th October 2018 and safe travels getting here.

Regards,
Gore Golden Cavaliers
